Beauty standards. Let's talk about it! BET, Jet magazine, your mother or grandmother, your favorite aunt? Who or what shaped the idea of a woman's beauty for you? The Lord blessed me with an introduction to modesty when I came across sound doctrine. Bishop Jeffries would minister to my situation in a Wednesday morning 2020 Bible study. Listening to the word led to self-examination. Seeing the mothers and sisters adorn themselves with respect and dignity gave me a new hope. There is a better way to live! What a relief!

Trusting God and applying the teaching is a tremendous blessing. Modesty to me is understanding God's love and knowing who He created us to be. Holy and royal. Meet for his use!

It's not that when I dress modest I think I'm better than anyone else but that I've been redeemed of the Lord God Almighty.

What if everyone knew that our purpose is to glorify God? All credit, glory, and honor to Jesus! Try him and find liberty in holy beauty! There is no other way. To my sisters reading this, you are beautiful. God is able.

"Modesty is a covering of love and protection. It is both a shield and a crown. Modesty with shamefacedness exudes dignity and an humble spirit."
